ACTIVITIES & ATHLETICS

EFFECTIVE IMMEDIATELY!

Per new MSHSAA guidelines, a Pre-Participation Physical exam certified by a medical professional will now be considered valid for two years (730 days) from the date of the exam. While the MSHSAA Pre-Participation Exam form is now valid for a two year period from the date of the physical examination, all other Pre-participation documents must still be completed annually for every student athlete prior to them being permitted to participate in their first sport season of each school year. Annual Pre-participation documentation includes: Medical History, Parent Permission-Insurance Verification, Student Agreement, Concussion Education Materials-Parent/Student Signature, and Emergency Contact Information. This "MSHSAA Annual Requirements" form as well as the "MSHSAA 2 Year Physical" form can be found on our athletic web site or in the Activities Office located at Osage High School. Please contact our office with any questions: (573) 348-0115 ext. 4175.

Annual Requirements:

Medical History

Parent Permission-Insurance Verification

Student Agreement

Concussion Education Materials-Parent/Student Signature

Emergency Contact Information

2 Year Requirements:

Pre-Participation Physical exam certified by a medical professional
